

Wet Chemical

The Marine Range Wet Chemical fire extinguisher is available in two 6 litre models, and approved to Merchant Shipping (Marine Equipment) Regulations SI 2016/1025. Both models come complete with the distinctive Jactone colour coding and are LPCB certified to BS EN3, UKCA and CE marked. Specifically designed for use on Class F fires (cooking oil and fats). They are also suitable for use on Class A fires.

- › Quality deep drawn cylinders.
- › High quality heavy-duty brass valves.
- › Thermoplastic lining.
- › Colour coded headers, handles and bases.
- › Spray nozzle complies with the dielectric test of BS EN3-7, clause 9.
